

## Financial Markets Indaba

### Capital Markets - High Schools Quiz

The Capital Markets – High Schools Quiz competition is part of the Capital Markets Awards program which is a landmark annual recognition event to benchmark institutional achievement and performance in the markets & exchanges landscape of Zimbabwe’s Financial Sector. The competition has been authorised and endorsed by the **Ministry of Primary & Secondary Education of Zimbabwe**.

The goal of the Capital Markets – High Schools Quiz competition is to highlight and recognise the important role played by Capital Markets in economic development and preservation and growth of households’ savings. The program serves as an opportunity to inform and demystify complexities and myths that surround participating in financial and capital markets and in turn encourages individuals from all walks of life to invest on the local markets including stock exchanges.

The Capital Markets - High Schools Quiz competition offers a unique and exciting way to motivate, inspire, encourage and reward Secondary and High School scholars in their quest for knowledge and provide them with the opportunity to celebrate their achievement as part of a high profile, national competition. The Quiz fosters a generation that is conscious of the importance of savings, financial literacy and capital markets.

**Content** - The Quiz will be based on content published in:
