

GOOD MORALS BEING ERODED BY THE CYBER WORLD INFLUENCE

STAGE 1: PROBLEM IDENTIFICATION (5 Marks)

1.1 Description of the problem, innovation:

- The internet and social media promote harmful content, affecting youth behavior.
- Traditional moral values are being replaced by trends and virtual peer pressure.

1.2 Brief statement of intent:

- To examine how cyber platforms influence moral decline.
- To suggest solutions that encourage responsible online behavior.

1.3 Design/project specifications or parameters:

- Focus on teenagers and young adults.
- Include surveys, interviews, and content analysis.
- Use examples from social media and digital platforms.

STAGE 2: INVESTIGATION OF RELATED IDEAS (10 Marks)

2.1 Three evidence of a related idea:

- Studies showing correlation between social media and risky behavior.
- Reports of cyberbullying and online challenges.
- Decline in respect, discipline, and empathy in youth.

2.2 Analysis of ideas:

Merits:

- Raises awareness of online dangers.
- Supports need for digital literacy.

GOOD MORALS BEING ERODED BY THE CYBER WORLD INFLUENCE

- Encourages moral dialogue.

Demerits:

- Some data can be exaggerated or anecdotal.
- Solutions may face tech resistance.
- Hard to monitor all online content.

STAGE 3: GENERATION OF IDEAS/POSSIBLE SOLUTIONS (10 Marks)

3.1 Three evidence of possible solutions:

- Introduce digital citizenship education in schools.
- Promote parental controls and media monitoring.
- Use influencers to spread positive values online.

3.2 Three merits of 3.1 above:

- Educates youth on ethical online behavior.
- Reduces exposure to harmful content.
- Leverages popular figures for moral messaging.

3.3 Three demerits of 3.1 above:

- Some youth may resist adult oversight.
- Not all schools have tech resources.
- Influencers may not always stay positive.

STAGE 4: DEVELOPMENT OF CHOSEN IDEA (10 Marks)

GOOD MORALS BEING ERODED BY THE CYBER WORLD INFLUENCE

4.1 Indication of choice:

- Introduce digital citizenship education in schools.

4.2 Justification of choice with at least two points:

- Provides a structured approach to moral and ethical digital use.
- Equips students with tools to critically assess online content.

4.3 Three developments:

- Design curriculum modules on digital ethics.
- Train teachers in delivery of content.
- Launch school-wide awareness campaigns.

STAGE 5: PRESENTATION OF THE FINAL SOLUTION (10 Marks)

5.1 Presentation of an artefact:

- Posters on ethical internet use.
- Infographics of cyber threats vs. good moral behavior.

5.2 Presentation of a service:

- Flyers inviting parents to digital literacy workshops.
- Drawings illustrating positive vs. negative online behavior.
- Event schedules for digital citizenship week.

STAGE 6: EVALUATION AND RECOMMENDATIONS (5 Marks)

6.1 Challenges encountered:

GOOD MORALS BEING ERODED BY THE CYBER WORLD INFLUENCE

- Technological gaps in schools.
- Resistance from some students and parents.
- Difficulty measuring moral impact.

6.2 Recommendations:

- Increase funding for digital literacy programs.
- Encourage partnerships with tech companies.
- Create follow-up programs to measure impact.
