

Celebrating Our Wins in the Church's Competition Since 2020 The purpose of our team is to glorify God through excellence, unity, and service as we represent our church family. Since 2020, we have been blessed to win the church's annual competition, and each victory is more than just a trophy – it's a testament to faith, dedication, and fellowship. We celebrate not to boast in ourselves, but to give thanks for the talents God has given us and to encourage the wider congregation. Every practice, prayer, and performance is aimed at building community, inspiring younger members, and showing how joyfully we can work together for His kingdom. Winning since 2020 reminds us that when we commit our gifts to the Lord, He multiplies our efforts for His glory. *Ukubhiyozela Ukuphumelela Kwethu Kukhuphiswano LweCawa
